BREEDER'S LIST & KITTEN LIST REGISTRATION

In order to protect the integrity of the Russian Blue Breeders Association we require members who use the RBBA Breeder's List or Kitten Registrar to help with selling their kittens to sign the following undertaking:

"I undertake to abide by the recommendations* of the Russian Blue Breeders Association and sell only registered kittens which are fit, healthy , at least 13 weeks of age and fully inoculated against feline enteritis and cat 'flu. Kittens will not leave home until seven days after they have completed the full course."**

***And any further requirements to comply which future GCCF rules/recommendations**
**** Registered individually with the GCCF.**

The attached form should be cut off and sent for registration to the co-ordinator of the RBBA's Breeder's List:

Mrs M Buckeridge Tel. 01622 861176
Stari House, Leeds Road, Langley Heath, MADISTONE, ME17 3JG

Only members who have registered with the Registrar will be able to use the services of the kitten list. Once registered, details of your kittens can be accepted either by letter or telephone.

We would stress that all breeders should be vigilant in their interrogation of prospective buyers in order to ensure that the kittens are going to suitable homes. The club cannot accept responsibility regarding the suitability of buyers.

THE KITTEN'S PEDIGREE FORM AND THE CERTIFICATE OF INOCULATION MUST BE GIVEN AT THE TIME OF SALE.

IF REGISTRATION IS AWAITED AT THE TIME OF SALE THE TRANSFER CERTIFICATE SHOULD BE SENT TO THE BUYER AS SOON AS IT BECOMES AVAILABLE.

THIS IS A GCCF REGULATION AND FAILURE TO COMPLY MAY LEAD TO DISCIPLINARY ACTION.
